Are you looking for baseball instruction that caters to the needs of the individual player?

- The mission of Solid Foundation Baseball School is to train and lead each student to reach their full potential as a baseball player, an athlete, and a person.
- We accomplish this through private lessons and small group lessons that are fun, informative and personal.
- With the low student to teacher ratio we can properly train your player in the correct mechanics of hitting, throwing, pitching, infielding, outfielding, catching, and baserunning.
- At SFBS we do **not** use a cookie cutter approach for teaching each student. Through professional evaluation, each student is given techniques that will be player specific so they will be able to, through application, reach their highest potential.

Solid Foundation Baseball School, Inc. was founded in 1997 by Atwater, MN native and former Major League baseball player Mike Kingery. Mike has 17 years of professional baseball experience. As an outfielder, he played with the Kansas City Royals, Seattle Mariners, San Francisco Giants, Oakland A's, Colorado Rockies and Pittsburgh Pirates.

"Best Baseball Camp."

"Scott really had lots of fun and learned lots. The small teaching ratio was great! We appreciated the personal contact, the supportive attitude. Wonderful experience!"

"Thanks again for providing access to a really top notch instructor. My son really came away with a lot, but more importantly had a great time doing so!"

"Grant and Derek improve every year as a direct result of your program, and as you know, I tell everyone who will listen about the quality of the instruction."

"Just plan on Matt as a regular. He has improved so much with your program. He is so much more confident. It is all because of Solid Foundation and your hard work. Thanks for everything you've done."

"I personally am very impressed with what you are doing. I understand it is a business, but your enthusiasm and sincerity make it very worthwhile for the young players that seek your assistance. Good work. "

"I'm coming back for sure!"
